

## LIMITED LIFETIME WARRANTY ON WATER TREATMENT SYSTEM

Congratulations, you have purchased the best sustainable energy water treatment system.

PURE WATER USA warrants to the original owner of the products that the materials of the installed system are free from defects. THE ACKNOWLEDGMENT OF WARRANTY TERMS SECTION FOR THIS PRODUCT FOUND AT THE BOTTOM OF THIS DOCUMENT MUST BE COMPLETED, SIGNED AND RETURNED TO PURE WATER USA, BUSINESS ADDRESS (see below), WITHIN (15) DAYS FROM THE DATE OF SIGNING THE CONTRACT TO VALIDATE THE WARRANTY.

**MINERAL TANK:** The mineral tank has an unlimited lifetime warranty. PURE WATER USA will replace or repair the mineral tank at no charge, with the exception of handling and transportation costs, provided that the mineral change has been made every (5) years, and that the damage is not attributable to the purchaser or due to natural causes not attributable to the company.

**CONTROL VALVE:** The control valve will have a limited (3) year warranty, PURE WATER USA will replace or repair the valve or its components at no charge during its warranty, except for transportation and labor costs, and that the Damage is not attributable to the buyer or to natural causes not attributable to the company.

**REVERSE OSMOSIS UNIT:** The reverse osmosis will have a (2) year warranty. PURE WATER USA will replace or repair its components free of charge during its warranty, except transportation and labor, as long as the damage is attributable to the buyer or to natural causes not attributable to the company. Filters and exchange membrane are excluded from the warranty. Since its cost and replacement must be covered by the original owner.

### WARRANTY CONDITIONS:

1. It is a violation of warranty to replace minerals or replace filters, membranes or any other part of PURE WATER USA equipment by the owner without prior inspection and supervision by the company.
2. The system must be installed in accordance with county regulations and following the manufacturer's recommendations.
3. An annual review of our systems will be carried out by personnel authorized by PURE WATER USA, after calling the customer through a scheduled appointment.
4. The replacement of parts or services by unauthorized personnel will result in the loss of the warranty.
5. The water pressure of the residence or business must be regulated by the buyer, not to exceed 80 PSI. The water temperature should not exceed 100 degrees Fahrenheit. The water supplied by the equipment must not have a chlorine concentration greater than 1mg/l. A thermal insulator should be installed to protect against damage caused by freezing and the system should be kept isolated from direct sunlight.
6. The system disconnected for more than (1) year will lose the warranty.
7. Claims must be made within (30) days following the damage, presenting its original guarantee, or penalty of losing said guarantee.
